

## LED STRIP LIGHTS

Install Bay is proud to offer 12 Volt LED strip lights in various colors and lengths. These flexible, water resistant strip lights will highlight any installation. Seven different colors in 3 different lengths make these lights perfect for any installation.

- LED strip lights are 1/4 inch wide
- Water resistant covering can handle occasional water contact
- 3M double sided tape provides a strong bond
- 60 LEDs per meter
- 120 degree viewing angle
- LED strips come in 1, 3, and 5 meter lengths
- Colors include Pure White, Red, Blue, Amber, Green, Pink, and Purple
- The LED strips can be cut at every 3rd led if you need to shorten the length
- A full 5 meter strip only draws 1.5 amps of current
