We have implemented a shipping and handling policy that ensures the utmost care is taken when transporting LUX Covers. Due to the size of the item, we will only deliver when assistance is available to unload the cover. For your assurance that you are getting the correct lid please complete the following upon delivery.

Inspect outer box for obvious damage

Verify correct year, make and model on box

Verify bed size and paint code on box

Signature will be required upon acceptance of the cover.

There will be no returns for wrong item ordered, customer cancellation, or lost sales. Damage found after delivery acceptance or missing hardware should be addressed with UnderCover directly.

I ensure all above information is correct. I understand that provision of incorrect information can result in voided warranty and returns.

Signature: _____ Date: _____ / _____ / _____
