The MSD 6A Ignition Control set the standards that other ignitions strive to reach. For 2011, the bar has been raised even higher as we introduce the all new Digital 6A ignition Control!

The MSD 6AL Ignition Control set the standards that other ignitions strive to reach. In fact, you'll find ignitions from other companies that carry the 6AL name (and in some cases, the same part number). For 2011, the bar has been raised even higher as we introduce the all new Digital 6AL Ignition Control!
