Ford Mustang GT Bumper Grille

- * Bolt-Over Installation
- * Bumper Grille installs in 30 Minutes or less using simple hand tools.
- * Proudly Made in the USA with American Milled Material.

Carriage Works grilles are TIG-welded or "robotically" MIG-welded in a CAD-designed, CNC-milled fixture. This insures an exact fit by the utilization of Aerospace tolerances every time. We form and machine our billet grilles from 6061-T6 solid stock aluminum material.
